Welcome to the newest and most exciting three-story design - The Charleston. With three stunning elevations to choose from, Coastal, Craftsman, or Farmhouse style, you can customize your dream home. The first floor boasts a spacious foyer, leading to the main living area on the second floor. The two-car garage with tandem space can also be converted into a fourth bedroom with a full bathroom. Game night anyone? The large recreation room is perfect for a game or movie room. As you ascend to the second floor, you'll find a covered front porch leading into a welcoming foyer. The great room, kitchen, and dining room flow into a private covered balcony. The luxurious Owner's suite, with a spacious bathroom and walk-in closet, is also located on this floor, along with a convenient half bathroom for guests. The third floor is where the magic happens. Designed as a family or guest hideaway, it comprises two large bedrooms, a full bathroom, and a spacious loft, perfect for a family den or sitting room. The optional storage room guarantees easy access and ample space for all your storage needs. Experience luxury ...
