

Coastal Club of the Carolinas Community

The Boardwalk Floor Plan

Stroll into the Boardwalk with nearly 3,000 square feet of coastal-inspired features. Upon entering from a large covered front porch, discover a foyer with a tray ceiling leading to a spacious drop zone area. Two bedrooms with large closets and a full bath are located on the left with an open dining area just ahead. Enjoy an intricate coffered ceiling across the dining area and an intimate great room area with a tray ceiling. A large, gourmet island in the kitchen offers additional seating and a surplus of counter space for large dinner parties or cooking large meals. Enjoy smaller meals with an extended breakfast area looking out onto the beautiful view of your backyard. From the great room, breeze through sliding glass doors onto a large covered porch. The Boardwalk's master suite offers an enormous walk-in closet accompanied by a beautiful master bath with a deluxe seated shower. A second-floor adds an additional bedroom, full bath, walk-in closet, and linen closet alongside a spacious loft area. Use this space as a large guest suite, media room, storage, or recreational room. Make the Boardwalk the model you call "home" ...
