The Boardwalk Floor Plan

Step into the Boardwalk, a coastal-inspired retreat spanning nearly 2,100 square feet on the first floor. As you enter through a spacious covered front porch, you'll be greeted by a foyer with a tray ceiling leading to a generous drop zone area. Two bedrooms with ample closets and a full bath await on the left, while an open dining area with an elegant coffer ceiling lies ahead. In the kitchen, a large gourmet island beckons for gatherings, providing extra seating and abundant counter space for hosting dinner parties or preparing elaborate meals. For more intimate dining, savor moments in the extended breakfast area overlooking your backyard's scenic view. Transition seamlessly from the great room to a sprawling covered porch through sliding glass doors. The master suite of the Boardwalk boasts an expansive walk-in closet and a luxurious master bath featuring a deluxe seated shower.
