

Bridgewater - Shorehaven Village Community

The Shorebreak Floor Plan

The Shorebreak is the perfect balance between outdoor living space and a coastal-inspired interior, encouraging you to slip off your sandals and relax. With 1,940 square feet of living space, this model offers three bedrooms and two bathrooms. Step in from the Shorebreak's covered front porch to find an open kitchen, dining, and great room area. Breeze through sliding glass doors onto a 179 square foot covered porch, ideal for warm summer evenings or afternoon get-togethers. Whether you're looking for an abundance of counter space, added seating, or a more intimate gathering area, this model's options will serve as the solution. Through the foyer, you'll find a large drop zone and laundry area with options for a soaking sink, additional shelving, and a bench for seating while you unload beach accessories or sand-filled clothes. Drop-off beach chairs in the convenient storage space just inside the garage, as well. Across from the drop zone, either add barn doors for a study or create a third bedroom instead. Beyond the open living space, find a stunning master suite complete with a tray ceiling, enormous walk-in closet, double vanity, and a seated shower. Go ahead, kick your ...
