This flexible, one or two-story model is built with everyday conveniences and lifestyle-enhancing features throughout. Offering up to 2,813 square feet of comfortable living space, the Oceanside at Bridgewater is complete with four to five bedrooms, two to three and a half bathrooms, and an abundance of options. Step into the Oceanside from a covered front porch to find a spacious great room that connects to a wide-open kitchen and dinette area. Here, enjoy cooking in an optional gourmet kitchen, hosting dinners in the dinette, and taking in warm summer nights on the covered back porch. For added convenience, a drop zone with optional cubbies, cabinets, and a bench with pegs is located just off of the two-car garage. Completing this model's first-floor, discover three large bedrooms with sizeable closets, a full bathroom, laundry room, and a beautiful owner's suite. Along with this owner's suite's extra large bedroom and enormous walk-in closet, indulge in deluxe owner's bathroom options that include, a seated shower, deep soaking tub, and direct laundry room access. Depending on your needs, choose to add a second floor that features either, a large unfinished storage space and loft area ...
