### The Waverunner Floor Plan

Welcome to the Waverunner - A Spacious Retreat for Every Lifestyle With 2,666 square feet of thoughtfully designed living space, the Waverunner is perfect for both active families and those who love to unwind. This home features four bedrooms and an inviting open-concept layout, seamlessly blending the kitchen, great room, and breakfast nook. The kitchen island serves as a central gathering spot, while the adjoining patio offers the perfect place to enjoy your morning coffee in the fresh air. Upstairs, a sprawling loft provides endless possibilities—transform it into a media room, playroom, or personal fitness space. The luxurious Owner's Suite impresses with elegant tray ceilings, a spacious L-shaped walk-in closet, and a double sink vanity for ultimate convenience. Two additional bedrooms and a full bath complete the second floor, ensuring plenty of space for family and guests. Designed for comfort and flexibility, the Waverunner is more than just a home—it's your personal retreat at the end of every week.
