The Persimmon Floor Plan

These 2,619 square feet of space are for any family on the go during the week and for those who love to lounge on the weekends. The Persimmon plan offers a spacious lifestyle with the option of four to five bedrooms. The open-concept kitchen and great room create an extensive floorplan broken up with a kitchen island and breakfast nook. Plus, with rear-covered porch access from the nook, who says you can't enjoy your morning coffee outside? Make the kitchen your own with our optional gourmet kitchen island or by adding French doors to the dining room. Once you head upstairs, you will find a vast loft area. It's the perfect spot for that media room, playroom, or workout spot you have been looking for. You even have the option to turn the ...
