The Azalea Floor Plan

Welcome to The Azalea model! This open-concept plan allows natural lighting to fill the 3,000+ square feet of space it offers. The spacious living room flows right into the kitchen separated only by a large island and breakfast nook. This home has been upgraded with a gourmet kitchen layout. Past the kitchen and great room is the guest suite. This bedroom is fitted with a generously sized closet and has a full bathroom attached. Now head to the second floor up the stairs and open the double doors to your Owner's Suite. This personal sanctuary has plenty of space with two walk-in closets, a sitting area, and an extensive attached owner's bathroom. No worries about a crowded morning bathroom routine here, with a double sink vanity, linen closet, and separate toilet area. Three additional bedrooms and two full bathrooms can also be found on the second floor. A double vanity has also been added to one of the second floor bathrooms. Each room has a sizable closet. The laundry room is also located on this floor for your daily convenience. It is across the hall from the natural lite loft. ...
