The Roseleigh Floor Plan

Life is simply divine in The Roseleigh model. A whopping 3,000+ square feet of space results in a new home that's roomy enough for every member of the household. A buyer favorite, this plan offers up five bedrooms and four full baths. Downstairs is the essential space your family needs along with a formal living and dining room. This floor also holds a bedroom and full bathroom. The second level offers endless amounts of space for all. An Owner's Suite with dual closets and a spa-like Owner's Bath makes for the perfect space away from the hustle and bustle. Three additional bedrooms and media room means there's enough room for every member of the family to have their own peaceful retreat. **Please call our Online Sales Consultants at 757-550-2617 to learn more!
